Dear Lion Leaders,

We are pleased to confirm that during its October 2011 meeting, the International Board of Directors approved the redistricting proposal for Districts 18 A,B,C,D,E and F to become 18 L,I,O and N. These new districts will become effective on July 1, 2013.

As a result of this redistricting, it is very important for the district to report the planned date of the 2013 district conventions at which officer elections will occur for the four newly redistricted districts. We will be available to assist with any questions in regard to the elections and candidacy eligibilities as we move into the 2012-2013 fiscal year and the 2013 district and multiple district conventions.

The elections for the 2012-2013 fiscal year will be held this fiscal year in the current districts as usual.

Please keep us informed of any newly chartered clubs from now through June 30, 2013, and into which district they are to be placed effective July 2013. You may contact the English Language Department at englishlanguage@lionsclubs.org.

Please do not hesitate to contact me at Ann.Laube@lionsclubs.org should you have any further questions as your district prepares to complete the redistricting process for the 2013-2014 fiscal year.

Congratulations on your teamwork to facilitate the redistricting process, and we wish all of you the very best in the years to come.

Sincerely,

Ann Laube, Manager
English Language Department
